## **What attendees have said about David**

*I thought your presentations were outstanding, the best I've seen of that ilk for a long time and I've seen a few. You have great ideas and wonderful presentation skills.*

**Chris Hannan Principal Consultant Inside Info Pty Ltd**

*Thank you for the informative course you presented today. On one hand, it has confirmed that my ideas already implemented or planned in the next few months are the right way to go ahead to improve my finance team. However, the one I am most encouraged is that I feel that you have also challenged my way of thinking on areas I hadn't thought of changing and I will certainly look to implement a number of your approaches/ideas. So, thank you again.*
